

## The Thermador<sup>®</sup> Connected Experience by Home Connect<sup>TM</sup>

Welcome to a world where recipes abound, adventure awaits, and innovation moves you forward. Enabled in every product category, Home Connect is your portal to more exceptional culinary experiences with exclusive tips, recipes, and remote controls—all through your mobile device.

## PERSONALIZED CONTROL

Every connected appliance comes with:

- Connection to your favorite smart devices and services
- Remote monitoring & control
- Timely notifications
- Product tutorials & useful tips
- Digital user manuals & care information
- Inspirational recipes
- Culinary content from our trusted partners
- Remote Diagnostics\*

ноте соппест

\*With the exception of Ventilation.

## **Dishwashers**

Receive setting recommendations for your dish care needs. Automatically reorder detergent tabs. Start the Dishwasher remotely.

## Induction Cooktops

Enjoy performance pairing with select Masterpiece Ventilation. Access automatic settings for recipes with the app. Control settings from your smart device. Utilize Cooktop-Hood Sync to allow Cooktop and matching hood to communicate and synchronize turning on task lighting and Ventilation.

## Ovens

Revel in an interactive cooking experience with recipe integration. Receive notifications when your food is ready to enjoy. Pre-heat the Oven and adjust settings remoted

## Thermador News | April 2019

### Ranges

Engage in an interactive cooking experience with Oven recipe integration. Receive notifications when your food is ready to enjoy. Pre-heat the oven and adjust settings remotely.

## **Refrigeration Columns**

Adjust settings remotely to keep your ingredients chilled to perfection. Receive notifications when the water filter needs to be changed. Get notifications if the doo is left open.

## Ventilation

Exclusive to Freedom Induction, Hood Sync enables Cooktop and matching hood to communicate and synchronize turning on task lighting and Ventilation. Control fan speed settings. Customize lighting with infinite levels of brightness.

### Wine Preservation Columns

Adjust settings remotely to keep every varietal at the optimal temperature. Receive notifications if the door is left open, enjoy exclusive content on wine parings, and discover wine insights.

## **Built-in Coffee Machine**

Select a variety of beverages from around the world. Watch informational videos and get coffee-based dessert recipes. Automatically create consecutive beverages for multiple guests.
