

30 SECOND PITCH REFERENCE SHEET

Liberty™ Induction Cooktop

Ultimate Flexibility

Thermador Liberty™ utilizes 11 oval inductors spread over three extra-large induction zones. This cooktop empowers cooks to take advantage of more space and flexibility with the ability of placing larger cookware on the surface.

Unequaled First-ever Features

Users can explore all-new features for an unrivaled cooking experience. These new features include HeatShift™, CookSmart™, MoveMode™, PanBoost™ and Stop Watch Timer.

Eye-catching Design Options

New design features beveled glass over stainless steel frame which provides a beautiful layout that is easier to clean where the glass and stainless meet. Available in Titanium Gray or Silver Mirrored finish and Framed or Frameless.

30 SECOND PITCH REFERENCE SHEET

Liberty™ Induction Cooktop

FEATURE	ATTRIBUTE	BENEFIT
HeatShift™	Cooking surface is split into three horizontal zones with predefined power levels: 9, 5 & 1.5.	Automatically control power level by simply moving cookware from one zone to another.
MoveMode™	When moving pan from one element to another, temperature settings automatically transfer after 1-button confirmation.	Users can easily move pans among elements while easily maintaining temperature settings.
PanBoost™	Utilizes boost function for 30 seconds to quickly get pan to temperature.	Shorter heat up times for pots and pans with non-stick coating without needing to worry about damage to cookware.
Stopwatch Timer	Timer that counts up to indicate how long cooking process has taken.	Very useful for recipes that specify steps in terms of total cooking.
CookSmart®	Five present settings maintain proper temperature of pan when cooking.	Takes the temperature guesswork out of cooking by maintaining proper settings for specific foods.
17 Power Levels	Cooktop features 17 power levels.	Users have more precise control over cooktop with the most power levels in the industry.
New Accessories Available	10" x13" or 10" x16" Griddle Style Teppanyaki and 10" x16" Roasting Pan with Glass lid.	New dishwasher safe and oven proof cookware is ideally suited for the Liberty™ Induction cooktop.
