

NEXT GENERATION *of* EXCEPTIONAL COOLING

The NEW, fully connected Thermador® Freedom® Refrigeration Collection, launching January 2021. Complete with stainless steel interiors & equipped with new features, you can customize your Thermador Culinary Preservation Centers both inside and out to complement your lifestyle & home design.

STAINLESS STEEL INTERIOR

Experience a new, bolder look with Premium Grade Stainless Steel Interior.

THERMAFRESH SYSTEM

Now with advanced and improved cooling technology, the ThermaFresh System provides humidity control and temperature management where you need it most.

WATER FILTER

Our water filter removes an astonishing 99.9% of sediments. So advanced, it's received certification by NSF, a leading regulatory agency.

GO GREEN

Advanced and improved cooling technology creates more energy efficient refrigeration.

CUSTOMIZABLE STORAGE SOLUTIONS

Personalize your interior and maximize storage with gallon-sized bins and delicate produce bins (available as an accessory).

Home Connect

FULLY CONNECTED COLLECTION

WiFi fully connected Collection includes features such as remote temperature settings and notifications via the Home Connect App

- ThermaFresh Pro
Temperature Controlled >>>

Freedom[®] *Refrigeration*

REFRIGERATION FEATURES

Customizable Interiors

- All models ship with standard door bins
- Delicate Produce Bins are available as an accessory
 - *Protects produce from bruising*
 - *Removable for easy usage*
 - *Customizable organization*
 - *Soft close*

23.5" Fresh Food Column

- Frame kit [FRAMEKIT10](#) available (*sold separately*) if existing niche does not have finished furniture return

Freedom[®] Refrigeration

FREEZER FEATURES

Diamond Ice

- NSF Certified filter removes 99.9% of all impurities
- Diamond shape allows more ounces of ice in a traditional glass than crescent ice due to the uniquely designed shape
- With "twist tray technology", service repairs have decreased and energy efficiency has increased by eliminating the heating element.

In-Door Ice Dispenser

- Proximity Sensor
- Capacitive Touch
- Integrated Installation
- Dispenser Lighting

Note: Freezer Columns with external water & ice dispensers must be ordered left or right hinge specific.

Freedom[®] *Refrigeration*

PERFORMANCE FEATURES

Advanced Cooling Technology

- Industry leading R-600a refrigerant
 - Fast cooling provides high performance & energy efficiency
 - Green technology that is better for the environment with an incredibly low Global Warming Potential (GWP)
-

Super Cool & Super Freeze

- Temporarily drops the temperature and brings added food down to temperature quickly.
- Helps preserve food by limiting the temperature increase that occurs when new, warmer, food is added.
- After preset timeframe, temperature returns to set point.

Note: Super Cool will last or approx. 6 hours and Super Freeze for approx. 2 ½ days.

Freedom[®] *Refrigeration*

WINE RESERVE FEATURES

18" - 2 Zone
58 Bottle Count

24" - 3 Zone
92 Bottle Count

- Independently controlled temperature & humidity zones
- Airtight door seal
- Double-pane, UV resistant, tempered glass door
- Sealed motor reduces vibration

- Full extension racks
- Holds multiple bottle sizes
- Diamond shaped dowels made of Wenge wood
- Matching Wenge & aluminum wine presenter
