# All-New Built-in Bottom Freezer Refrigeration Collection

Thermador is heating up the cooling market with the exciting addition of all-new built-in Bottom Freezer Refrigeration to the Freedom® Collection. Offering single-configuration solutions that combine Refrigerator and Freezer into 36-, 42-, and 48-inch widths, the powerful Thermador portfolio will provide consumers more features, more innovation, and more choices for exceptional preservation, truly personalized.
Home Connect®   Interior Water Dispenser   ThermaFlex™ Drawer   36", 42", and 48" Widths

## Feature Highlights

### ThermaFlex™ Drawer

The new ThermaFlex™ drawer offers pre-set temperatures including: Freezer, Soft Freeze, Refrigerator, Beverages, Meat / Fish, Deli / Cheese and Pastry. Change the temperature at any time to suit your needs.

### Next-Generation Cooling

Experience our most advanced cooling ever featuring a dual compressor / evaporator and Cool Air Flow Technology which ensures consistent temperature and optimal food preservation.

### Dual Ice

Ice is always ready with our Elevated Dual Ice Makers, including our signature Diamond Ice plus all-new cocktail-sized ice in a unique geometric shape.

*42" and 48" units only

## Innovation

- Controlling your refrigerator has never been easier. Quickly access and adjust settings with an all new touchscreen that's easy to reach and intuitive to use

- Up to four remotely accessible in-appliance cameras enable user to see inventory from mobile device

- ThermaFresh® Pro enables you to adjust temperature and humidity levels in the fresh bins to preserve freshness longer

- Voice Control enabled via Home Connect® and your favorite smart devices

- Meaningful notifications including ThermaFlex™ Drawer transition time, filter status updates, and critical food safety alerts

- Full connectivity via the Home Connect® app

## Performance

- Convenient open-face Deli Drawer for quick access to smaller items

- Split-level shelves for increased personalization

- Internal Water Dispenser preserves sleek exterior aesthetic

- UltraClarityPro™ water filter removes 99% of impurities so you can enjoy uncommonly pure drinking water

- Door capacity accommodates gallon-sized bins

- Elevated Dual Ice Maker produces signature Diamond Ice as well as oversized cocktail ice (42" and 48" models only)

## Design

- Seamless built-in aesthetic with midline drawer handles that match the height of undercounter products for enhanced visual continuity

- Outfitted with luxury hardware for an elevated look and feel

- Available in custom-panel or pre-assembled stainless steel with Professional or Masterpiece® handles

- Offered in 36", 42" and 48" widths

- Available in single-door and French-door configurations with bottom-mount freezer drawers

- Organizational freezer baskets designed to prevent small items from slipping through venting

- Vivid theater-style lighting makes Refrigerator contents more visible and accessible

- Stainless steel interior walls add strength and a bold design

## Panels

Choose stainless flush paneling for a fully integrated look, or custom panels that seamlessly blend in with the rest of your cabinetry.

## Professional Handles

A modern, linear design with chrome accents and chamfers on the end cap.

## Masterpiece® Handles

Sleek and cylindrical with the flexibility to harmonize products throughout the kitchen.
