NEXT-GENERATION FREEDOM® COLUMN COLLECTION SUGGESTED COMBINATIONS

This price list supersedes all previous price lists. Prices listed herein do not include applicable state or local taxes.

Suggested Combinations

These suggestions are just an example of the extensive range of combinations possible with the Next Generation Freedom® Collection.

Please follow all applicable installation instructions and design guides for correct dimensions and cut-outs, and purchase any additional accessories required to complete the installation or achieve the intended configuration.

Any two or more next-generation full-size built-in cooling products installed side-by-side require a COMBIKIT10. Some

installation configurations may require more than one kit—refer to the installation guide for specific requirements.

A door direction change kit, which must be purchased separately, may be necessary for certain left-hinge door installations. Refer to the installation guide for specific requirements.
